1. Save me, O God, the swell-ing floods Break in up - on my soul;  
I sink, and sor - rows o'er my head, Like might-y wa - ters roll. I cry till all my voice be gone; In tears, I waste the day;  
My God, be - hold my long-ing eyes, And short-en thy de - lay.

2. O save me from the dread-ful deep, Nor let my soul be drown'd;  
Now raise and fix my sink-ing feet On well-e - sta-blish'd ground. Then, in that most ac - cept-ed hour, My pray'r shall rise on high;  
And for my sake, my God shall hear A dy - ing sin - ner's cry.
