

# JOYS AND SORROWS. 7s, 6s

CW 2016

Key of G.

1. Mixtures of joy and sorrow I daily do pass through; Sometimes I'm in a valley And sinking down with woe.

2. Sometimes I'm full of doubting, And think I have no grace; Sometimes I'm full of praising When Christ reveals his face.

3. Lord, why am I thus tossed, Thus tossed to and fro? Why are my hopes thus crossed, Where'er I'm called to go?

Sometimes I am exalted, On eagles' wings I fly; I rise above my troubles And hope to reach the sky.

Sometimes my hope's so little, I think I'll throw it by; Sometimes it seems sufficient If I were called to die.

O Lord, Thou never changest, And 'tis because I stray; O grant me Thine assistance, And keep me in Thy way.
